# Completed Encounters Module

- You can see, filter, search and export the Completed encounter of the Patients.
- You can also see the CarePlan of the patient by clicking on the row.

The screenshot displays the 'Completed Encounters' module interface. The top header shows user information: Doctors, Insurance, Clinics, Program, and Zain ul Hassan. The sidebar on the left contains navigation icons for Home, Patients, Questionnaire, Programs, Insurance, Clinics, Users, Unfinished Encounters, Completed Encounters (selected), Billable Claims, CCLP Data, and Care Gaps.

The main content area is titled 'Completed Encounters' and features a search bar, a 'Select Coordinator' dropdown, a 'Select Date' range selector, and an 'Export' button. Below these filters is a table with 10 rows of data:

Id	Serial No	Name	Dob	Date of service	Status	CCM Coordinator
