

# Super Admin User Module Guide

As a Super Admin user, you have access to all administrative modules in the system. These modules allow you to manage core data and users across the platform.

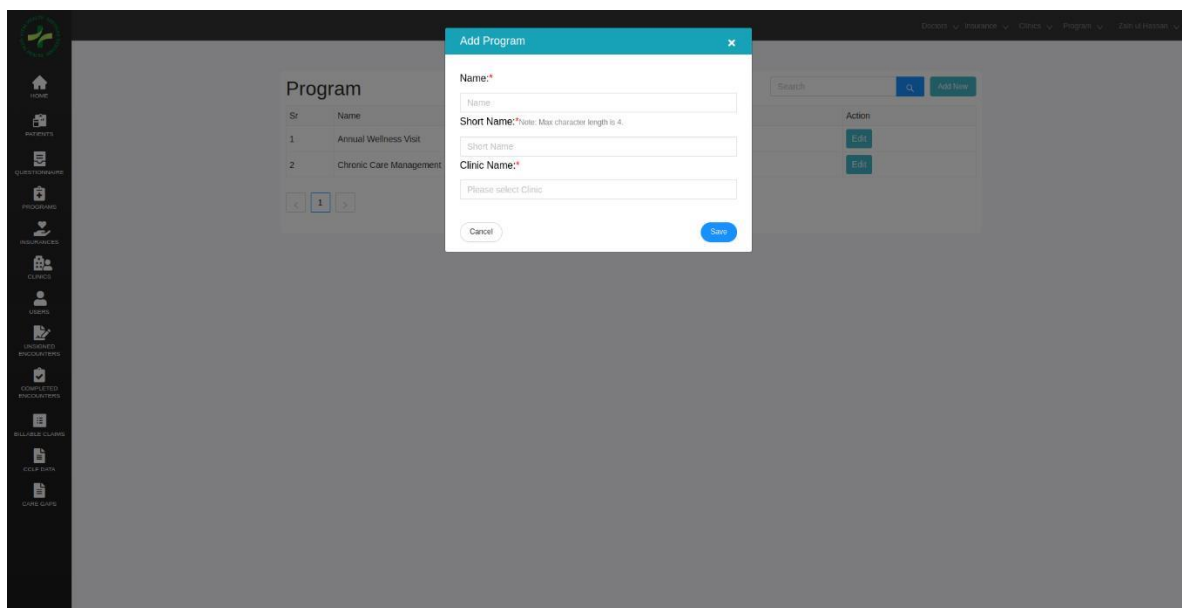

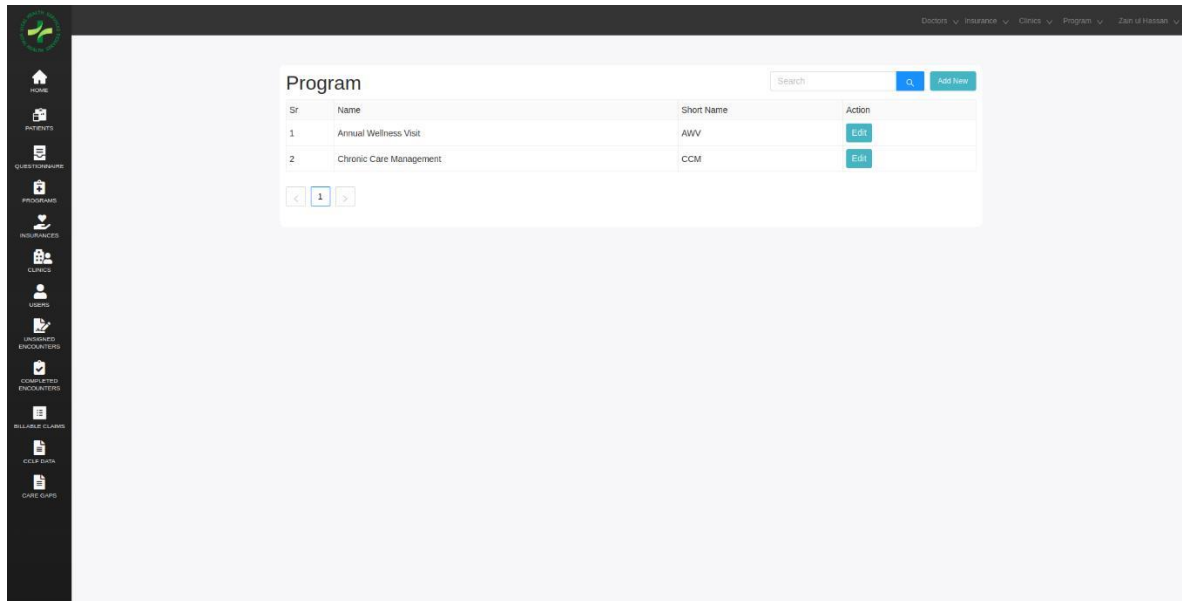

Specifically, you can access and perform CRUD (create, read, update, delete) operations within the following key modules:

- **Programs Module:** Add, view, edit, and remove programs. Programs group and organize treatments/services offered to patients.
- **Insurance Module:** Add, view, edit, and remove accepted insurance plans. Insurance plans contain details like covered services that are used for billing and reimbursement.
- **Clinics Module:** Add, view, edit, and remove clinic locations. Clinic details like address and phone number are used throughout the system.
- **Clinic Users Module:** Add, view, edit, and remove user accounts associated with specific clinics. Manage clinic employee access and permissions.
- **Users Module:** Add, view, edit, and remove general user accounts. Manage personnel access and permissions across the platform.

Having full admin access allows you to keep these modules and their data up-to-date. You can create new records like programs, insurance plans, and user accounts as needed.

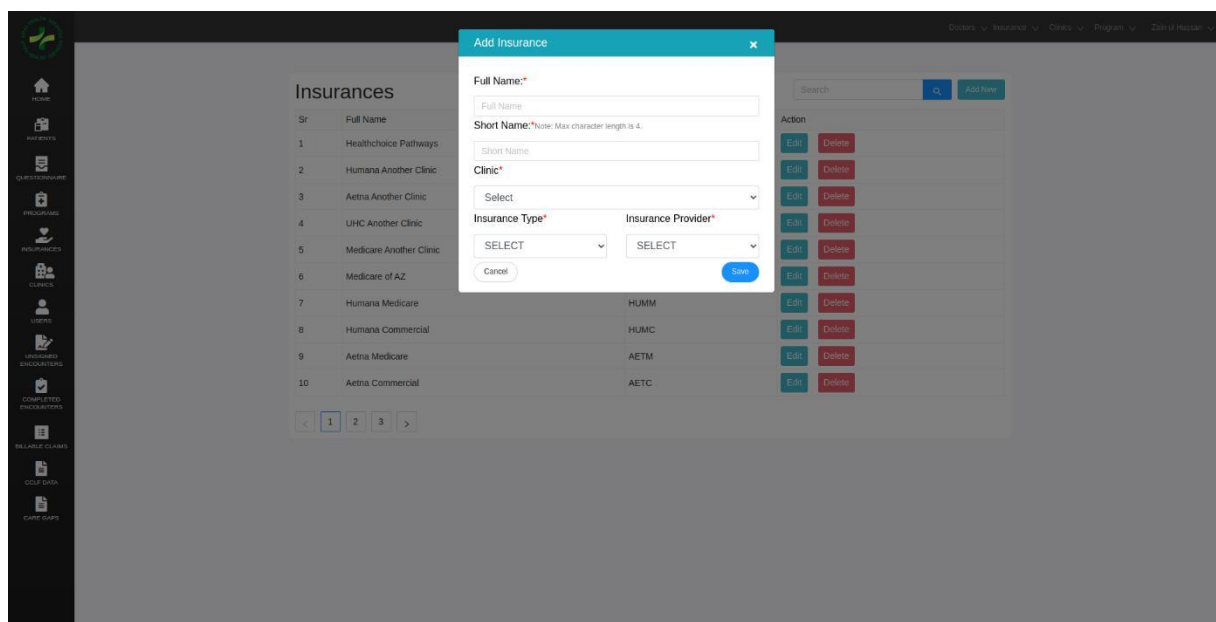

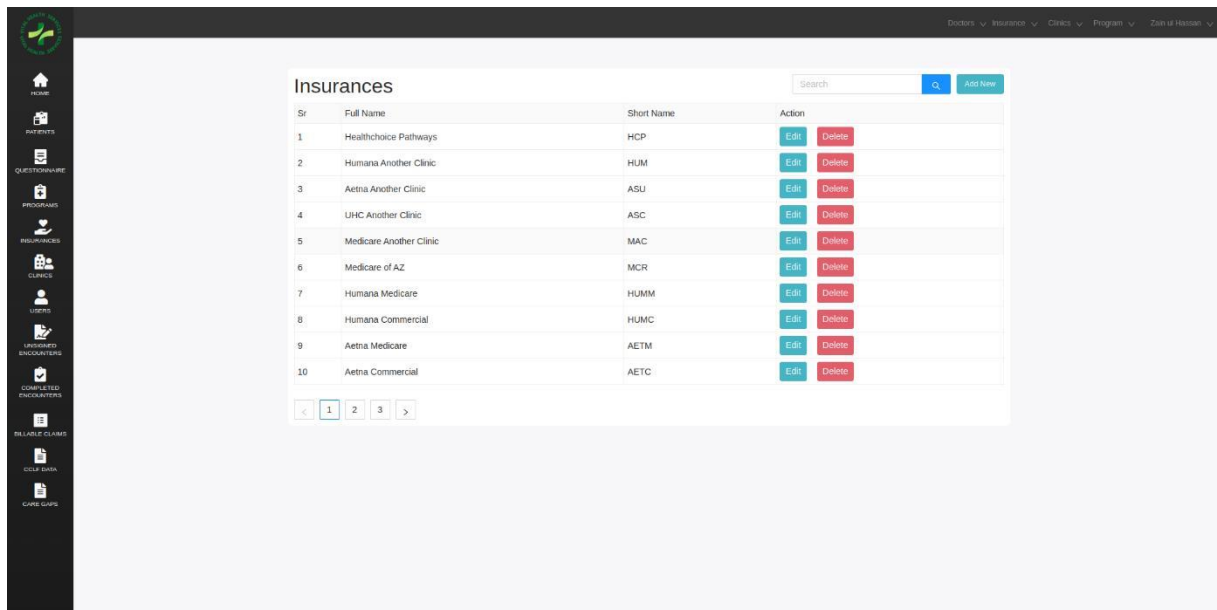

# Program Module

- You can Create, View, Edit and delete the Programs From here.
- You can also Search from the given search bar.

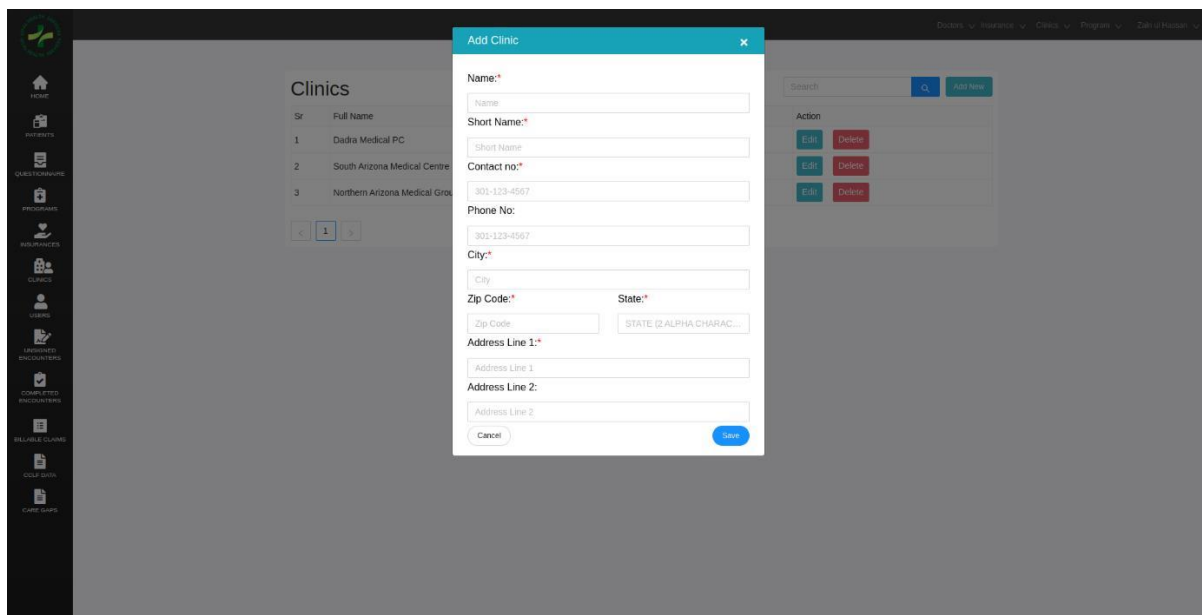

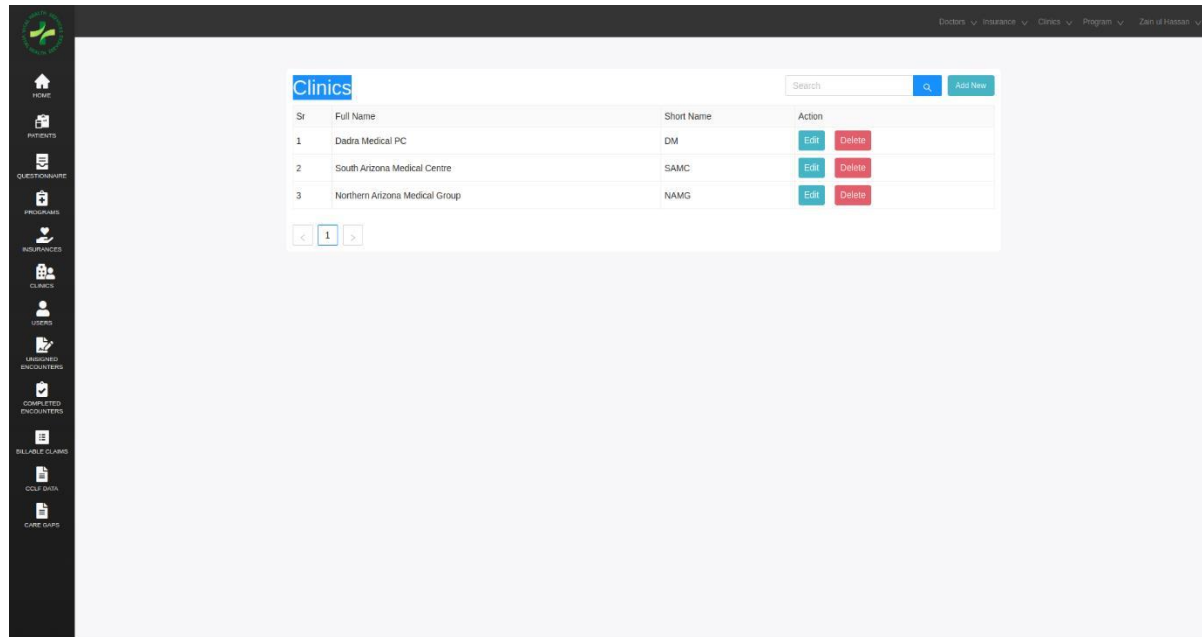

# Insurance Module

- You can Create, View, Edit and delete the Insurance From here.
- You can also Search from the given search bar.

## Clinics Module

- You can Create, View, Edit and delete the Clinics From here.
- You can also Search from the given search bar.

# Clinic Users Module

- You can Create, View, Edit and delete the Clinic Users From here.
- You can also Search from the given search bar.

The screenshot displays the 'Clinic Users' module interface. On the left is a vertical sidebar with icons for Home, Patients, Questionnaire, Programs, Insurance, Clinic, Users, Unassigned Encounters, Completed Encounters, Reliable Claims, CUP Data, and Care Gaps. The main area features a table titled 'Clinic Users' with columns: Sr, Name, Email, Clinic, Role, and Action. A search bar and an 'Add New' button are located at the top right of the table. The table lists 10 users, including Test Coordinator, CCM COORDINATOR, test ccm, TROY DAVISON, Mehr Iqbal, Zafar Iqbal, Kevin Brown, sami tester, sami test, and sami ullah. Each user has 'Edit' and 'Delete' buttons in the Action column. Below the table is a pagination control showing page 1 of 4.

Sr	Name	Email	Clinic	Role	Action
1	Test Coordinator	tc@yopmail.com	Northern Arizona Medical Group	CCM Coordinator	<a href="#">Edit</a> <a href="#">Delete</a>
2	CCM COORDINATOR	cc@yopmail.com	Northern Arizona Medical Group	CCM Coordinator	<a href="#">Edit</a> <a href="#">Delete</a>
3	test ccm	testccm@gmail.com	Northern Arizona Medical Group	CCM Coordinator	<a href="#">Edit</a> <a href="#">Delete</a>
4	TROY DAVISON	troydavisn@yahoo.com	Northern Arizona Medical Group	Doctor	<a href="#">Edit</a> <a href="#">Delete</a>
5	Mehr Iqbal	mmmiqbal@yahoo.com	Northern Arizona Medical Group	Doctor	<a href="#">Edit</a> <a href="#">Delete</a>
6	Zafar Iqbal	zqbal71@gmail.com	Northern Arizona Medical Group	Owner	<a href="#">Edit</a> <a href="#">Delete</a>
7	Kevin Brown	kevin.brown@gmail.com		Doctor	<a href="#">Edit</a> <a href="#">Delete</a>
8	sami tester	sami122@gmail.com	Dadra Medical PC	Pharmacist	<a href="#">Edit</a> <a href="#">Delete</a>
9	sami test	sami123@gmail.com	Dadra Medical PC	Pharmacist	<a href="#">Edit</a> <a href="#">Delete</a>
10	sami ullah	sami12@gamil.com		Admin	<a href="#">Edit</a> <a href="#">Delete</a>

This screenshot shows the 'Add Clinic User' dialog box open over the 'Clinic Users' table. The dialog box contains the following fields: First Name, Last Name, Phone, Designation (a dropdown menu), Clinic Name (a text field with a placeholder 'Please select Clinic'), Program (a dropdown menu with a placeholder 'Please select Program'), Email, and Password. There are 'Cancel' and 'Save' buttons at the bottom of the dialog. The background shows the same 'Clinic Users' table as the previous screenshot, but it is dimmed.

# Users Module

- You can Create, View, Edit and delete the Users From here.
- You can also Search from the given search bar.
